

NOTHING WORSE THAN A POLITICIAN WHO IS SOFT ON CRIME!

For 16 years as Mary Lou Connolly has been the unseen Albany County Legislator for the Town of Guilderland as rising crime rates and criminals creep into our neighborhoods!

Her cozy and self-serving relationship with City of Albany political bosses has bought her silence; while Guilderland residents are scared to go downtown to work or let their families and children go to the mall.

Its time for change! We need real leadership NOW!

Anton A. Konev

for Albany County Legislature

Working to make Guilderland a Thriving, Safe and Affordable Community for All our Families!

A resident of Albany County all his adult life, Anton Konev is a community activist with a strong agenda to help improve the quality of life for Town of Guilderland residents.

Anton Konev is twice a former crime victim and understands the dangers faced daily for Town of Guilderland residents who work in the City of Albany and shop area malls.

He has combined his skills as a community organizer with his work in the State Legislature to create a crime prevention program that has received praise from law enforcement agencies.

Anton Konev is a strong supporter of law enforcement agencies and police and has worked in their fight against crime. He has worked on state funding for protective vests and advocated for additional penalties for gang related crimes.

Through his proposed reduction in the size of the Albany County Legislature, Anton Konev plans to use some of the \$700,000 in savings to stop the spread of crime.
