**POLITICIAN CONNOLLY IS
WRONG FOR GUILDERLAND,
WRONG FOR OUR NEIGHBORHOODS
AND WRONG FOR OUR FAMILIES!**

CAN WE AFFORD HER FAILED LEADERSHIP?

16 years as County Legislator for Town of Guilderland yet most town residents don't know who she is or have ever seen or heard from her! - SHAMELESS!

She has voted for every county tax increase, placing huge financial burdens on our families and our neighborhoods! - OUT OF TOUCH

Agreed to drastically reduce the number of nursing home beds available for Albany County senior citizens. Where will our elderly go for care?

Has been silent on worsening environmental problems caused by Albany landfill because of her self-serving relationship with City of Albany political bosses.

On November 6th, how about asking for a REFUND!

Vote Anton Konev for County Legislature!

Anton A. Konev

for Albany County Legislature

Working to make Guilderland a Thriving, Safe and Affordable Community for All our Families!

A resident of Albany County all his adult life, Anton Konev is a community activist with a strong agenda to help improve the quality of life of Guilderland residents and all of Albany County. **He wants to:**

- Reduce the size of Albany County Legislature, thereby saving taxpayers over \$700,000 a year!
- Reduce costs and keep taxes down by regular management audits of all agencies in order to eliminating fraud and waste, while controlling size of local government!
- Oppose the construction of and taxpayer subsidizing of the Albany Convention Center proposed by City of Albany political bosses. There is no benefit for Town of Guilderland residents!
- Create a Regional Traffic and Development Planning Commission that will actively include Town of Guilderland resident feedback.
- Improve services at the Albany County Nursing home and put pressure on the State Legislature to assume the cost of rising Medicaid expenditures on the county and Guilderland taxpayers!
